## SERVE-A-THON

Please help support your lady Volleyball players by sponsoring them to a serve-a-thon. All money raised will help pay for tournament and registration fees.

The lady volleyball players are all working on increasing their skills to help advance them to the next level of play. Many of them are striving to learn the skills needed to play at the collegiate level. Club volleyball is an excellent way to help the girls reach their goals.

**How the fund raiser works.**

- 1 Each girl will serve 100 balls trying to get them all over the net.
- 2 For each ball served over the net, the sponsor agrees to pay an amount. (see example below)
- 3 Player will then contact you with their total # of good serves and collect the amount sponsored.
- 4 Each Player has a goal to get at least \$1.00 per serve total.
